I am a Willmar native and will be completing my 2 year AAS Degree in Web Programming at Ridgewater College this coming spring. Working at the Menards store for over 5 years, I now feel it's time to pursue employment and gain experience in my chosen field.

Work Experience

Menards (Willmar, MN)

March 2008 – Present

I have experience in several departments: Cashiering, Front End (assistant manager), Millwork (assistant manager), Hardware and Plumbing. My responsibilities have included:

- ✓ Great customer service and determining customers' needs
- ✓ Product knowledge/displays/inventory
- ✓ Scheduling/Payroll
- ✓ Overseeing cashiers/counting money/returns

Cornerstone Bank (York, NE)

January 2007 – December 2007

I was responsible for monitoring computer systems and programs, troubleshooting problems, running programs and entering codes that were time-sensitive. I was trusted to secure the building: shut down, safety and locking up.
